LIST OF SUPPORTING DOCUMENTATION AND IDENTIFICATION OF THE ACTUAL ITEMS TO BE REGISTERED: Catalog 4141-R, "Parker Gen II R-max Stream Switching System" Parker Gen II R-max Stream switching System Pressure Integrity Report 2013 ISO Certificate	

DECLARATION:

I Craig Beckwith (see note 3) employed by Parker Hannifin and being the person having full authority and responsibility for the quality of the end product do solemnly declare that the information contained in this form is true and to the best of my knowledge represents the product for which registration is sought. The dimensions, materials of construction, pressure temperature ratings, and identification markings are in accordance with the herein named standards. I further declare that the manufacture of these fittings is regulated by a Quality Control Program which extends to each plant where fabrication occurs in whole or in part and has been verified by Det Norske Veritas as being suitable for that purpose and I make this solemn declaration conscientiously believing it to be true, and knowing that it is of the same force and effect as if made under oath.

Signature of Declarer: *Craig Beckwith*

Declared before me at Madison County in the State of Alabama

This 10th day of October AD 2013

Commissioner of Oaths or Notary Public: (sign) *Shirley Boyer*
