ISO 9001-2008 for Parker Pneumatic Division plants in Richland, Michigan (US Engineering location) and Evreux, France (Engineering and Design location).</p>	

**DECLARATION:**

I, Gary Baumgardner (see note 3) employed by Parker Hannifin Corporation and being the person having full authority and responsibility for the quality of the end product do solemnly declare that the information contained in this form is true and to the best of my knowledge represents the product for which registration is sought. The dimensions, materials of construction, pressure and temperature ratings, and identification markings are in accordance with the herein named standards. I further declare that the manufacture of these fittings is regulated by a Quality Control Program which extends to each plant where fabricated, located in whole or in part and has been verified by ISO 9001-2008 Certification as being suitable for that purpose and I make this solemn declaration conscientiously believing it to be true, and knowing that it is of the same force and effect as if made under oath.
