ENGINEERING YOUR SUCCESS.

## ULDC Hydraulic Oil Cooler with 12 VDC Fan

The ULDC oil cooler with 12 or 24 VDC motor is optimized for use in the mobile industry. Together with a wide range of accessories, the ULDC cooler is suitable for installation in most applications and environments.

### Features

- Optimized design with right choice of materials and components ensures a reliable and long lasting cooler with low service and maintenance costs.
- Compact design resulting in lighter weight unit, yet with higher cooling capacity and lower pressure drop.
- Easy to maintain and easy to retrofit into many applications.
- DC motor 12V / 24V.
- Quiet fan and fan motor.

### Together, we can deliver.

- Parker Canada Division Express Programs offer fast lead time on a variety of core products, stocked in Milton, Ontario
- Selection of 7 sizes
- Equipped with SAE ports
- 12 VDC fan motors
- Optional temperature switch available
- Optional by-pass check available for larger sizes
